

May 12, 2014

Dear Sponsor:

The Domestic Abuse Council, Inc. is a private nonprofit agency that is the leader in Volusia County providing temporary emergency shelter for women, children and men who are victims or survivors of domestic violence. These individuals who fear for their safety and would most likely be homeless if they left their current residence and will benefit from your sponsorship. I am writing to see if you would consider being a sponsor for our 3<sup>rd</sup> annual Purple Parade which is scheduled for September 27, 2014 at Midtown Cultural & Education Center, 925 George W. Engram Blvd. in Daytona Beach. Proceeds for this event support our shelter programs.

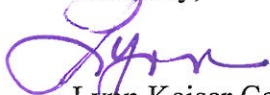

At last year's walk we had a drum line, anti-bully pledge table and a pinwheel peace sign. This year we plan to make the event even bigger and better. We hope that you will give our project further consideration.

Sponsor levels are:

- Bronze      \$500 includes your name on promotional flier and media releases if received by July 1, 2014. Mention in our quarterly newsletter. Mention on our Facebook page and mention in our corporate website.
- Silver      \$1,000 includes all of the above plus logo on the event marketing fliers, your marketing materials on display at the event and at least two mentions at the podium.
- Gold      \$1,500 includes all of the above and your corporate banner on display at event.

I look forward to hearing from you regarding this request. If you need any further information, please feel free to call me.

Sincerely,

Lynn Kaiser Conrad  
Chief Operating Officer
